## ARTISTS IN ACTION

Capitol Community Cable Television (CCTV) has cordially invited us to hang our work on their walls. What we want to do is present them with quality artistic works that will be offered for sale to the public.

The art will hang between Saturday, November 1st, 2014 and Wednesday, December 31st, 2014.

When will our art be hung?

As we get closer to the show, I will schedule a two hour window to accomodate the hanging, and not disturb the patrons. You do need to be present at the hanging. No art will be hung after that time. The art must be hung on standard J hooks you supply. Any Artists cards or bio's must be hung using UHU putty to not disturb the walls.

---

When will can I pickup my art?

Art needs to be taken down the last two days of the show, unless sold. Please pick them up between 2:00 PM and 6:00 PM at Capitol Community Cable Television (CCTV) . Though I am always present at hanging time, I may or may not be there during pick up time. Make sure you bring proper identification.

---

Where and when will I deliver my art?

Right now, I won't be taking any art in at my house. All art must be hung by the Artist at the site. **See the When will our art be hung?** topic.

---

When will get paid for any art that is sold?

All sales transactions must occur between you and the buyer. Capitol Community Cable Television (CCTV) will not collect funds.

How to add wires to Clip Frames and Foam core boards

(I sometimes don't follow 'safety' rules, please be careful whatever method you use.)

This is a wonderful opportunity for those who never shown, to put something up on the wall. Though Capitol Community Cable Television (CCTV) is not a gallery environment, there is considerable traffic.
